Courses available:

We offer Level 1, Level 2 and Level 3 Electrical programmes which offer an invaluable insight into installation technologies, along with extensive cable management systems including conduit, trunking and tray.

Learning experience:

We ensure that every one of our students experience a wide range of different cable installations and gain the knowledge to ready them for future employment and instil important values that will enable them to be work ready.

Progression routes:

After the Level 3, it will prepare you for an Electrical apprenticeship programme, which fully qualifies you to work as a plumbing and domestic heating engineer. The apprenticeship will give you an understanding of suitable onsite skills and further knowledge required to work in the Electrical industry.

STUDENT SPOTLIGHT

Ben Ashton

Attended: West Hill School

Study Programme: Level 3 in Electrical Installation

Progression: Apprenticeship in Electrical Installation

Ben was a full time learner at Tameside College having completed Level 2 and 3 successfully with us. He is now in an apprenticeship, where he will have a good range of work to gather for his portfolio evidence.

Ben was focused and determined. He was always going to succeed with his mind-set and we wish him well in his new role!

Ben said:

“The course was well organised and all of the staff were very helpful. They were willing to go the extra mile to help any student in gaining knowledge or offer guidance. I would highly recommend Tameside College to any student thinking about starting a course with them.”
